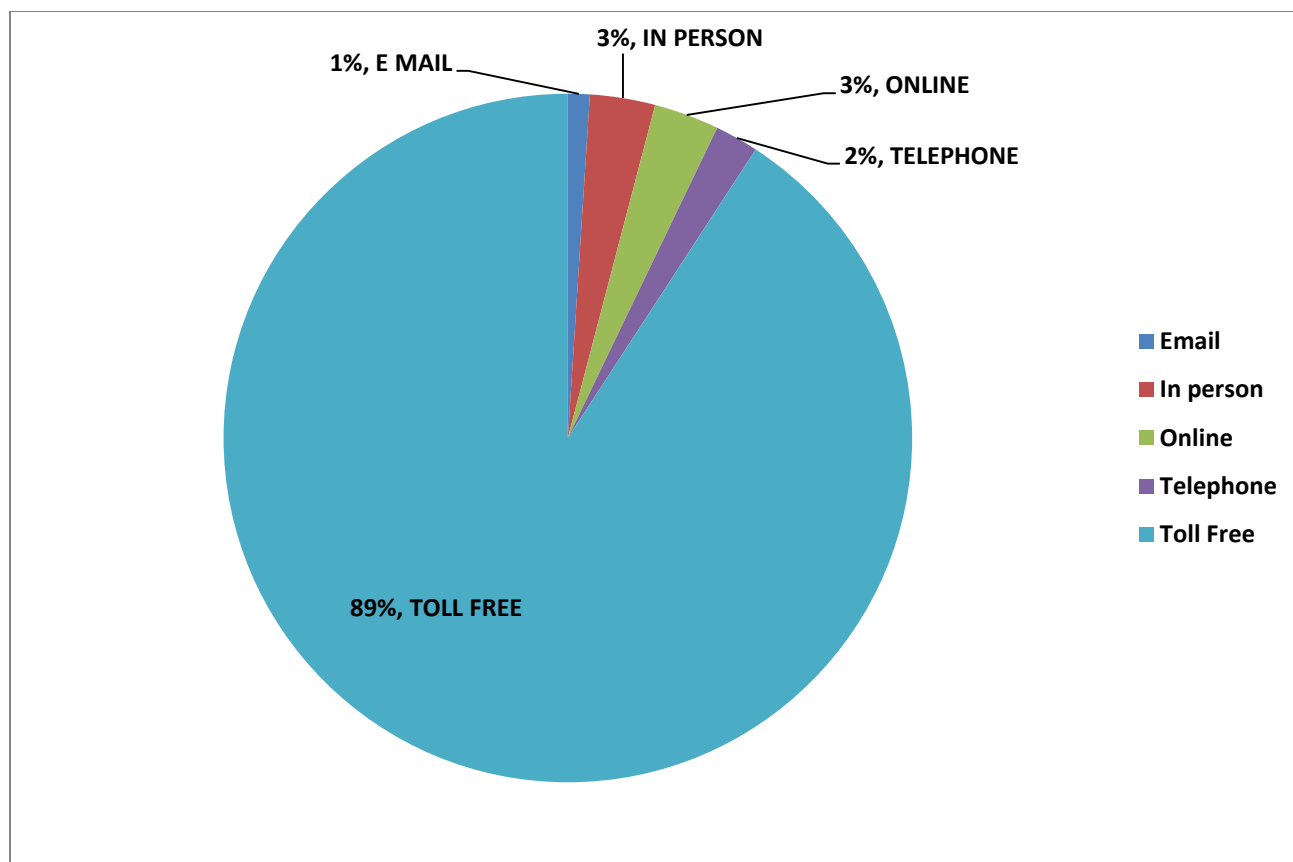

Figure 2: Source wise Call/Complaint Data Report

The States of Bihar, Himachal Pradesh, Madhya Pradesh, Mizoram, Odisha, Tamil Nadu and Uttar Pradesh have not been running the helpline for quite long. The helpline at Madhya Pradesh is likely to restart its operation in August 2018 as the process for recruitment of the necessary manpower has already been initiated. The helpline is being made operational in the office of State Government at Vindhyachal Bhawan. As per recent communication, Govt. of Madhya Pradesh may need onsite training for their newly recruited staff during August/September 2018. The consumer helpline at Puducherry was facing problem in its operationalization due to non-release of grant by the State Govt. since March 2016 and therefore it has stopped functioning. Similarly, the existing VCO running Consumer Helpline at Rajasthan had indicated its non-functioning as State Govt. was considering restructuring and awarding of contract to other VCO for functioning of Consumer Helpline. The State helpline at Rajasthan has now resumed its functioning and has registered 18 calls during August 2018. Government of Punjab, Kerala and Karnataka have not yet networked their helpline with IT Portal despite imparting training to their staff at IIPA and also having signed the License Agreement to share IT Portal for complaint registration and use of knowledge database. The Govt. of Assam has already signed the License Agreement to share IT Portal for complaint registration and use of knowledge database. It is likely to be operationalise soon. The Portal has already approached concerned Department of Govt. of Assam for any assistance that may be required by the State Government in operationalisation of the helpline. However, the State Govt. is yet to respond.
